PROFESSIONAL SUMMARY

I'm a UI/UX Designer and Website Developer with hands-on experience in Wix, WordPress, and Figma. I completed my BCA with a CGPA of 8.89 and worked as a UI/UX intern at Exposys Data Labs. Currently, I work at SignToDesign, where I design and develop responsive websites, create custom UI layouts, and improve user interactions using modern design principles.

WORK EXPERIENCE

UI Designer & Wix Developer — SignToDesign

January 2025 – Present

Bangalore, India

- Design intuitive, user-centric web experiences aligned with client goals using Wix and Wix Studio.
- Handle ongoing website maintenance, performance optimization, and content updates.
- Collaborate directly with clients to translate briefs into polished, functional digital products.
- Produce Figma wireframes, high-fidelity prototypes, and component libraries for handoff.

Tools: Figma | Wix Studio | Wix Editor | Canva | Framer

UI/UX Design Intern — Exposys Data Labs

April 2024 – June 2024

Bangalore, India

- Designed visually engaging social media posters and promotional campaign graphics using Figma and Canva.
- Created UI assets including wireframes, layouts, and reusable component sets in Figma.
- Developed vector illustrations in Adobe Illustrator and maintained visual brand consistency.
- Worked in a team environment delivering design assets within project timelines.

Tools: Figma | Canva | Adobe Illustrator

KEY PROJECTS
